

FISCHER, Jennifer Lynne

FISCHER, Jennifer Lynne(nee Glenn). After a long battle with "Lumpatron" Jenny finally lost her fight (and she put up one a lot of good one)much too young on May 29, 2015 at Modbury Hospital. Jennifer passed peacefully surrounded by her family. Cherished wife to Andrew. Dearly loved mother to Isobel and Tom. Loving daughter to Jan and Trevor (deceased) and sister Angela and Susie. Wonderful friend to many. Such courage and strength in one brave, determined, beautiful woman. Rest in peace our darlingknowing you left us all with amazing memories andlaughs to last us a lifetime. We miss you terribly, you will live foreverin our hearts (and Doris's engine bay).
