

Deepest sympathy is expressed for the Pearson family, who last week buried their mother. The late Mrs. Sarah Pearson was one of the fine old pioneers of the district, where she had resided for over 50 years. Her charitable disposition and kindly ways made her loved and esteemed by all. She was affectionately called "Grandma" by all, and the number of little children who attended the funeral on Saturday, was evidence of the love these little ones had for her. The funeral was largely attended, friends and relatives travelling long distances to be present. The

Rev. Warren Carr, of Geurie, conducted the service at the Church, and afterwards at the graveside. Mr. J. R. Tighe had charge of the funeral arrangements.
